By Standing Order, this action was referred to United States Magistrate Judge Omar J. Aboulhosn for submission of findings and recommendation regarding disposition pursuant to 28 U.S.C. § 636(b)(1)(B). Magistrate Judge Aboulhosn submitted to the court his Findings and Recommendation ("PF&R") on January 6, 2017, in which he recommended that the court deny plaintiff's motion for judgment on the pleadings, grant defendant's motion for judgment on the pleadings, affirm the final decision of the Commissioner, and dismiss this matter from the court's docket.

In accordance with the provisions of 28 U.S.C. § 636(b), the parties were allotted fourteen days and three mailing days in which to file any objections to Magistrate Judge Aboulhosn's Proposed Findings and Recommendation. The court granted

1. Plaintiff's motion for summary judgment is **DENIED**;²
2. Defendant's brief in support of the Commissioner's decision is **GRANTED**;
3. The final decision of the Commissioner is **AFFIRMED**; and
4. The case is **DISMISSED** from the court's docket.

The Clerk is directed to forward a copy of this Memorandum Opinion and Order to counsel of record.

IT IS SO ORDERED this 17th of February, 2017.
